

Romans 14
December 3, 2017

1. Christian's service and conduct in dealing with other Christians
a. We are to deal with them without judging them (1-12)

What should our attitude be towards other believers who do things that we are not comfortable doing if the Bible does not say it is a sin to do those things?

What is more important than observing special holy days?

b. We are to deal with them without hindering them (13-23)

What should be our concern when deciding what we should do or not do when it comes to things that are questionable?

How do we build up our brothers that have different practices than we do?
